• Conventionals • Swift • 2 • 2012

Description

This layout represents one of the most space-efficient 'standard' touring caravan designs available. It features a front dining area that easily converts into a double bed. At the rear, you'll find a well-equipped kitchen with all the essentials, including a full cooker with hob and grill, a sink, fridge, and microwave. The washroom, situated in the rear off-side corner, is thoughtfully designed to save space and includes a convenient shower, wash hand basin, and toilet.

This caravan comes with everything needed to get going, including a full awning and a mover.

Fitted equipment with Truma water heater

£9,999.00
