Description

– Lightweight awning – ideal for touring caravanners... , Capri North is the ideal choice for touring caravanners. In lightweight, breathable, acrylic material the Capri North is quick to erect and easy to transport. , The tinted windows make the awning a pleasant place to be, as the large mosquito net windows provide extra ventilation without the annoyance of insects on hot summer days and nights. All front and side panels can be folded down to form a veranda or removed completely. Capri North is available with the Zinox tubular steel frame or the ultra-light CarbonX fibreglass frame. , Size Range: A850 – A1175cm – Special sizes available, please call for more info. , Sizes 675cm – 825cm available, please contact us for prices. , Please Note; Not all sizes are kept in stock so delivery times may vary. You will be notified if delivery will take longer than 7 days. , Removeable/Fold-down panels – Front and Side panels. , Special details – Mosquito nets in both sides, front ventilation, strip on sides. , Supplied as standard – Cube Creme curtains, wheel arch cover, draught skirt, veranda pole, FixOn, awning bag, pole and peg bags including peg remover. , Optional extras for assembly – Annex 250, net side, net front, partition wall, Cosy Corner II, Eclipse FSC, gutter, inner roof, storm securing set. (Contact us for more info)
